

TIGHAR: Aviation Archaeology

Lonnie Shorer, Barb Norris and John Clauss prepare to launch the Flowform 16 to photograph the lagoon.

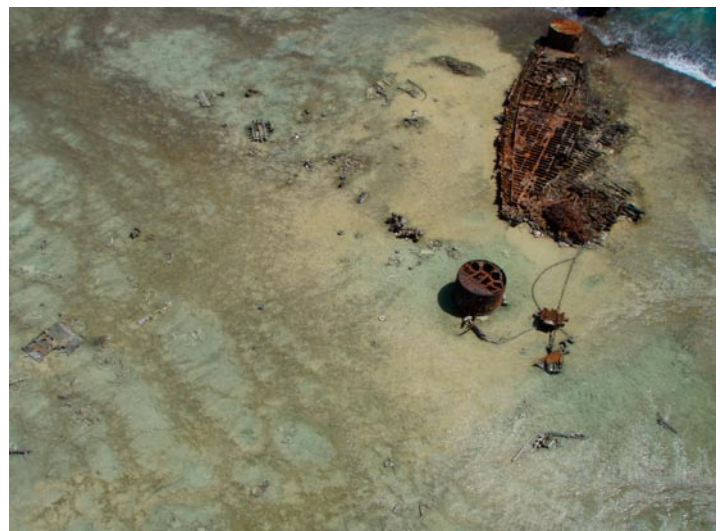

John Clauss prepares the camera rig for launch.

The Flowform 16 flies over the lagoon

The KAP team on the west shore of Nikumaroro surveying wreckage of the ship Norwich City.

The remains of the Norwich City, a ship that ran ashore in November, 1929.

A view from above the lagoon showing coral heads, the cloudy water of the lagoon, the narrow strip of land comprising the atoll and the Pacific Ocean in the top of the frame.

Bringing the KAP rig in for a landing. Lonnie Shorer is ready to catch, John Clauss holds the line and Barbara Norris winds the line.
