

# Who Does What?

Think you know a thing or two about kitefliers? Ever had a spectator ask you, "Do you fly kites full-time?" Since you can just about count the list of professional kites on one hand, we thought it was time to take a look at what a few of us do to make a living. Here are the answers to the quiz. Some kites have more than one job, but all these people have made at least part of their living in the fields listed.
